

## **TWIN LAKES PARK REPLACEMENT PLAYGROUND STRUCTURE FOR 5-12 AGE GROUP**

Twin Lakes Park, 35303 CR 473, Leesburg FL 34788

### **Scope of Work:**

Furnish and install one playground structure for the 5-12 age group.

5-12 age group playground structure should include:

- Minimum 2 different types of slides (either one single slide and one double slide or a 360 degree slide and a single slide etc.)
- At least 3 ground components for ADA access
- Overhead play (i.e. monkey bars)
- Overhead roofing
- Protective area: 45' x 32'

**Vendors are advised that the above list of equipment represents the minimum level of equipment desired by the County. The total amount budgeted for this purchase is \$23,000. Vendors are encouraged to propose the maximum amount of equipment that can be purchased for the budgeted value. As an exception to the general process of making award to the lowest priced vendor, award under this purchase will be made to the vendor offering the best value purchase within the available budget. The County's decision in that regard shall be considered final.**

Submit color drawings/catalog cuts with bid of proposed playground structure.  
Total cost not to exceed \$23,000. Custom designs are encouraged.

Note: No playground borders are required- to be installed by the County.  
No ADA engineered mulch is required-to be installed by the County.  
Removal of the existing unsafe and unused playground structure will be done by the County.

All work must be completed within 30 days from issuance of the purchase order. NO EXCEPTIONS.
